

## **Los Angeles Magazine recognizes Glenn D Cohen, MD, a Hand, Wrist and Elbow Specialist, as a Super Doctor of 2014.**

*Dr. Glenn Cohen is acknowledged as one of Southern California's Top Doctors 2014.*

Have you ever wondered - who is the "doctor's doctor?" Wouldn't it be nice to know which physicians are trusted and sought out by colleagues for medical care?

Key Professional Media, Inc., asked doctors to nominate one or more colleagues (excluding themselves) they would choose in seeking medical care. The Super Doctors research team investigated further and searched for exceptional doctors to complement the results. Candidates were evaluated on the indicators of peer recognition, professional achievement and disciplinary history.

Doctors who acquired the highest total points from the surveys, research, and a blue ribbon panel were selected for inclusion in Southern California Super Doctors 2014.

If you are looking for an exceptional physician who has earned the confidence and high regard of his peers - Dr. Glenn Cohen, an Orthopedic Hand, Wrist and Elbow Specialist, is the doctor to see.
